

Program	Level
Maschinenbau	Bachelor of Science
Wirtschaftsingenieurwesen (Maschinenbau)	
Computational Engineering Science	
Technik-Kommunikation	
Allgemeiner Maschinenbau	Master of Science
Energietechnik	
Entwicklung und Konstruktion	
Fahrzeugtechnik und Transport	
Kunststoff- und Textiltechnik	
Luft- und Raumfahrttechnik	
Produktionstechnik	
Verfahrenstechnik	
Wirtschaftsingenieurwesen (Maschinenbau)	
Computational Engineering Science	
Automatisierungstechnik	
Technik-Kommunikation	

How do I know whether a course belongs to the Faculty of Mechanical Engineering or not?

In RWTHonline, click on the application „Modules“ and type in the title of the course you are looking for. The category „Organisation“ tells you which faculty a course belongs to.

English-taught programs

To find a list of our faculty's English-taught modules, follow this link:

<http://www.maschinenbau.rwth-aachen.de/go/id/zbg> - Courses in English

English-taught programs in mechanical engineering:

Program	Level
Automotive Engineering	Master of Science
Simulation Sciences	
Computer-Aided Conception and Production in Mechanical Engineering*	
Production Systems Engineering*	
Management and Engineering in Production Systems*	
Textile Engineering*	
M.Sc. Robotic Systems Engineering*	

*Programs offered through the RWTH International Academy. Admission must be discussed with individual professors and may be denied. Course information can be found online at

www.master-mechanical-engineering.com
